Update

We received the following from Brandy Schneck this week:

Hey everyone,

I have officially been at seminary for a week on Saturday. My first week was pretty tough. Having a few days to just settle in before my Greek class started was good, and bad. It gave me time to settle in but also gave me a lot of time to just sit and think. So the first few days were lonely and made me miss everyone. But as soon as Greek started, I had no time to think about anything else but Greek! My first class was Friday, which gave me the whole weekend to study. Today I had my first vocab quiz and got a 98% and got a 95% on my oral quiz. Now that I don't have the weekend to study between class, I'm getting a little overwhelmed. But I'm just going to continue to study and do my best! — I hope everyone is doing well, and I miss you all! I'll talk to you soon!! Brandy
